

Welcome to Bright Beginnings Preschool September 2025

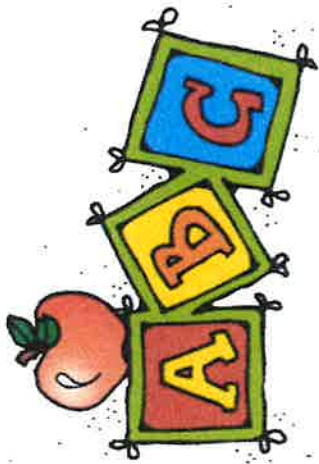

Dear parents

Each month a newsletter and calendar will be sent home to keep you informed of what is happening in our classroom. Please help your child to remember their **bucket** each time they come to preschool. Their precious work will be safely brought home this way plus their "Show & Tell" items will not be lost if it is kept in their bucket. **Show & Tell will begin in October.**

School begins at 9am or 12:30pm. Please do not bring your child early as I am busy preparing for our day and cannot give your child the attention they need. Our day will begin with Freeplay accompanied by Craft time. This is an important warm up period for your child as well as a great opportunity to interact and become comfortable with their surroundings—so being **on time** is very important. As you arrive to preschool please take your child to the bathroom where they can use the facilities and wash their hands. When Mrs. Kemper opens her door she will take your child's temperature, greet your little one and begin our day. **At 11:30 or 3pm** will be the time for you to come and receive your child. The children will be **dismissed one at a time** when their name is called. Your help is **greatly** appreciated to patiently wait until your child has been dismissed.

We will start off our preschool year learning the letters **A, B & C**, the color **red**, the shape circle and the number One. We will be stressing preschool rules, sitting criss cross applesauce, learn the month and days of the week, pledge to the American flag, check the weather and introduce the Bible.

Snack Time is always a favorite time of the day. If your child is the snack person (located on the Sunday portion of your monthly calendar), they will be responsible to supply the snack for the class that week (unless otherwise noted on your snack reminder) **No drinks please.** We will supply the cups, napkins and good old water. You will get a reminder slip with some healthy snack ideas but this is not an exhaustive list—feel free to be a little creative. I say "a little" because sometimes very creative can be very messy and we'd like to stay away from that. :D If you intend to bring fruit please pre-peel and pre-slice. Time is a luxury in the classroom and every bit of help is greatly appreciated.
