November Newsletter

November is here; Christmas is right around the corner! We have a fun filled November ahead of us. We will be learning about the letters g, h, and i, the color Black, the shape Triangle, the numbers 5, 6 and 7, Food and Nutrition, and of course, the First Thanksgiving!

Dates to Remember

Nov. 24th & 25th Show-n-Tell Day
Nov. 21st Wreath Fundraiser Orders Due
Nov. 25th & 26th Thanksgiving feast day
Nov. 27th & 28th Thanksgiving holiday – no school

We will be talking about things in their world they can thank God for and emphasizing the “please and thank you” and gratitude of the season.

November is Children’s Picture Book Month, so we will be emphasizing the joy of reading with the class. A sheet is attached to the newsletter for you to list books you and your child read together this month. Return the list to me when your child has read a minimum of 13 books. When the sheet is returned, I will have a gift to give as a reward. This might be a good time to introduce your child to the local library if you haven’t done so already.

We will celebrate Thanksgiving with a feast at preschool on November 25th and 26th – If you would like to bring popcorn, deli turkey, applesauce, dried cranberries and things to make our feast day more festive, please sign up on the sheet posted on our bulletin board.

Upcoming field Trip! We will be going on a field trip Friday, December 5th to Bayview Christmas Tree Farm.

More details to come!

Just one quick housekeeping announcement: Always feel free to park upstairs and walk through the church if the lower parking lot gets too muddy.

I would like to wish your family a Happy Thanksgiving!
