December News

Hello Parents!

It's December and what a great month it is going to be! We will be learning the letters J, K, & L, the number 4, the color green, and the star shape. To help us better understand the true meaning of Christmas we will also be learning about Jesus' birth including the Nativity & the concept of Sharing. To better emphasize "sharing" we'll need your help. We would like each child to bring a non-perishable food item to be placed in a basket under our Christmas Tree. These items will be collected and taken to the food bank. Not only will we be teaching our children to share but we will also be helping out some needy

families in our community. Alright! Speaking of the Christmas program, your children have already been working very hard at learning their songs. We have been

practicing upstairs in the auditorium—this can be quite intimidating but your children are up for the challenge! We'll encourage them along the way and before long they will be much more comfortable singing on the stage. Our performance will be held on **Friday December 12th**. The program begins at 6pm but we would like your child here at the church no earlier than 5:40pm. That's when we will open the doors. I will meet you in the Gathering room of the church. As a courtesy to other families we ask that you do not save seats ahead of time. Now dress up those preschoolers, bring your family members and cameras—you will not want to miss this exciting event. Just as a reference the program will last about 30-40 minutes.

At the end of the month we will be celebrating **Jesus' Birthday**. If you would like to donate for this day, the sign up list will be up.

I want to make sure and tell all of you parents thank you for your help with bringing coats, buckets and party items. Also thank you for continuing to help your preschooler with his/her name and reinforcing the things we are learning in preschool. These may seem like such small things to you but a little help goes a long way in the education and fun factor at preschool.

One last item.... On Dec. 24th at 6pm we have our Christmas Eve Service at Grace Bible Church. It will be a nice night out to help keep our focus on Christ at Christmas time.

Have a blessed Christmas Season,

Cheryl Kemper
