

Hello Parents!

Another month has come and gone and we are already headed into the holiday season. Before I go too far I would like to thank those of you that donated your time and/or goodies for our Harvest Party! I felt so blessed by your generosity.... Thank you so much! OK! Onto November. We will be celebrating Thanksgiving at the end of the month. What a great opportunity to discuss as a family the many things of which we have to be thankful. The date for our Feast is November 22nd and there will be a sign up sheet posted for anyone that would like to contribute items for this day. To help us in our endeavor to learn more about Thanksgiving what better way than to dress up like Pilgrims and Native Americans and play in a tepee! So much fun! As for the rest of the month we will be learning the letters G, H, I and J, the color Black, the number 3, and the shape Triangle.

We have a Field Trip to Mintercreek Fish Hatchery on Monday . Nov. 7th. We will meet at 10 am at the Hatchery. This is an outdoor event so come dressed weather appropriate. As always, this is another no sibling event.

Our class is in need of a parent helper to help manipulate the computers during freeplay (9:00-9:45) If you are available, we would love your help!

Scholastic Book orders will be due by Nov. 4th. Thank you for remembering to write the checks out to Scholastic Books.

For a side note—your child may come home singing all kinds of new songs. We will be very busy preparing for our Christmas Program which will take place on the evening of December 16th. Start charging those video cam/ phone batteries now :D You won't want to miss this.

In His service and yours,
Cheryl Kemper
